Legion Sponsors Fund For Manitoba Relief

The Didsbury Branch of the Canadian Legion is sponsoring a fund in town and district to assist the unfortunate victims of the flood area of Manitoba and arrangements have been made for anyone who wishes to assist, to leave their cash donations at either Seale's Store or at the Royal Bank of Canada in Didsbury.

The need is urgent and for this reason the Legion hopes to complete its campaign for funds on Saturday, May 27th.

To assist in the campaign the slogan "A Day's Pay for Winnipeg" has been adopted. While this is not a demand on anyone, it does give donors an idea of a fair contribution to such a worthy cause. However, any sum will be gladly received.

All donations to the Flood Relief Fund are deductible for income tax purposes.

The need is urgent and the time is very short, so come forward and make your donation voluntarily. The Manitoba flood is recognized as Canada's greatest disaster in its history and if we all do our bit we can relieve the suffering of hundreds of thousands of people, even though we can never completely heal the sorrows and deprivations which the Manitobans are experiencing at the present time.

Moose Season Closed In Alberta This Year

The hunting of moose will be prohibited in Alberta this year according to an announcement made by the game branch at Edmonton. The ban, issued by the department of lands and forests, results from a mysterious migration of moose from northern bush lands to the southern foothills, where there is less natural protection from hunters.

Cause of the migration, occurring in both Alberta and British Columbia, cannot be determined by naturalists and biologists.

Hunting of caribou also is banned this year. The animals are recovering from adverse winters which reduced their numbers. Bag limits on other big game are: One male mountain sheep, one male or female mountain goat, one either male deer or male elk, one grizzly bear and one black bear or cinnamon bear. Female bears with cubs are protected.

In the Pincher Creek area south of the Castle and Old Man rivers and west of Highway No. 2, between Macleod and Cowley, one of either male or female elk may be taken.

Open seasons are Sept. 15 to Oct. 31 for sheep and goat; Nov. 1 to Dec. 15 for deer and elk, and Sept. 15 to Dec. 15 for bears.

DIDSBURY HOSPITAL BIRTHS
Born at the Didsbury hospital to Mr. and Mrs. L. Stevens of Olds on Thursday, May 18, a girl.
To Mr. and Mrs. Henry Reimer on Saturday, May 20, a boy.

Reunion Service at The Lutheran Church

The annual reunion service of all past confirmants of the Lutheran Church in the Didsbury parish was held on Sunday, May 21. The service began at 8:00 p.m. Rev. Fox spoke on the theme "We Are to be a Light" and encouraged the members to let their light shine, especially in these dark days and thus bring hope to many in darkness.

Following the service a social hour was held in the basement of the church with some 100 in attendance. A number of interesting games were played. This was followed with a light lunch.

During the lunch Pastor Fox installed the newly elected officers of the Walther League and on behalf of the League expressed their thanks to the officers who served in the past year. The League also took cognizance of the International Walther League birthday. A special cake had been prepared, decorated with 57 candles, for the occasion.

The Reunion Fellowship closed with the group joining in singing "God be With You Till We Meet again."

BEUF CALF CLUBS TO MEET AT A.M. ROBERTSON FARM

The final meeting of the West Didsbury, Carstairs, Crossfield, Jutland and Olds Beef Calf Clubs will be held at the farm of A.M. Robertson on Saturday, May 27th, at 12 noon.

Those attending are asked to bring a picnic lunch for their own families. Coffee will be served.

Three classes of cattle will be judged, followed by a demonstration of washing, curling and showmanship.

Everyone is welcome to attend.

Eighty Guests at the C.G.I.T. Banquet

The C.G.I.T. groups of Didsbury held an informal banquet in the United Church basement on May 10th when about eighty guests and C.G.I.T. girls were present. The invocation was given by Rev. Moss of Olds.

Mrs. Laura Morgan was toastmistress, and the toast to the King was proposed by Miss Mary Davis. The toast to the Mothers was proposed by Beverly Wiggins, and responded to by Mrs. Ed Klinek. The toast to the honouree guests was proposed by Miss Laura Edwards and responded to by Miss E. Willison. The toast to the Church was proposed by June Klinek and responded to by Doris Bainbridge.

The guest speaker was Rev. Moss of Olds, and Doris Bainbridge was song leader.

Later the group went upstairs for the program consisting of a piano duet by Marlene LeGrand and Pat McDonald, a quartet, and a talk on Camp by Miss Willison. Two films were shown dealing with the Banff School of Fine Arts and skiing.

The evening was brought to a close with the singing of "Taps".

Digs Out Coyotes; Gets Mother and Five Pups

Pete Janzen didn't exactly waste his time last Wednesday afternoon even though he had to dig out a coyote den.

Together with his brother they went down to the cultivated field to dig out a den of coyotes, and when they got down to the bottom of the den they were unexpectedly confronted by the mother coyote. However, they were successful in destroying the animal and secured five coyote pups. Pete brought the little animals to town, but later destroyed them.

Mr. Janzen was a little disappointed when he learned that there wasn't a bounty on coyotes, but he did express satisfaction in destroying the coyotes so that they could not bother his neighbors turkeys, chickens and sheep.

SCHOOL STUDENTS AT TRACK MEET AT CARSTAIRS

Didsbury school was well represented at the Rosebud track meet held at Carstairs last Friday, when the schools of Didsbury, Carstairs, Olds, Bowden and Innisfail participated in the annual event.

Points awarded were: Innisfail 249, Didsbury 218, Carstairs 217, Olds 202, Bowden 121.

Many Farmers Have Wheat Seeding Done

Wheat seeding is pretty well completed in the district and during the past ten days most farmers have been on the land unless hindered by blowing dust due to the high winds which have been prevalent this spring.

Showers have fallen in many areas but it will take a good soaking rain to relieve the situation and add some reserve moisture to the land.

Weeds have been slow in germinating this year and where control was difficult coarse grains will probably be seeded to land which would otherwise have been planted to wheat. While this condition is not particularly widespread it will no doubt account for less wheat acreage and more land sown to coarse grains.

These two sets of tiny twins and their parents are among the thousands of homeless as a result of the Manitoba floods. Shown are Mr. and Mrs. William Casovan of Point Douglas and (left to right) Barbara and Richard, 22 months, and Joan and Jane, seven months. Mrs. Casovan had just put the babies to bed while her husband laboured on the dikes, when the flood burst through and engulfed their little bungalow. For rehabilitation the Casovans, like \$5,000 other Manitobans, must look to the Manitoba Flood Relief Fund, which has been organized in Winnipeg.

WESTERDALE NEWS

The flu is quite prevalent in this district at the present time. Among those taking ill over the weekend were Mrs. S. Jackson, Mrs. L. Jones, Mrs. A. Jackson, and Mrs. A. Jones who was taken to the Olds hospital Saturday evening and on Monday underwent an appendix operation. We wish all a speedy recovery.

The Willing Workers meeting was postponed for the last two Wednesdays due to the illness of Mrs. A. Buckley, but it is hoped that the meeting can be held this Wednesday at the home of Mrs. D. Herbert.

The Westerdale ball team was trounced by a score of 24-6 at Olds on Sunday.

The ball team will play Reed Ranch on the local diamond next Sunday afternoon.

Seeded fields in the district are taking an unusually long time to become green. The cold, windy weather is greatly retarding the growth of grain, grass and gardens.

Mr. and Mrs. J. Cowie motored to Calgary last Thursday.

Zella W.I. Now Has Membership of 12

The cozy and attractive home of Mrs. John Hanson was the meeting place for the Zella W.I. on Thursday afternoon, May 18. Eleven members and one visitor answered the roll call with a Mother's Day verse.

A new member Mrs. Vic Schneidmiller was welcomed to the group and the membership again stands at 12. Minutes were adopted as read and it was voted to send a donation to the Manitoba Flood Relief Fund, 50 cents from each member.

A well prepared paper on "what comprises citizenship" was given by Mrs. Jim Johnston and this led to an interesting discussion on racial discrimination.

Riddle Giggles presented by Mrs. Henry Hurdler as the bit of fun had all the women in stitches.

Mrs. Gibbs won the door prize.

A baby gift is to be sent to a new arrival.

Mrs. E. Lowrie will be the next hostess on Thursday, June 15, when the bun and candy contests will be judged.

With the singing of God Save the King and a most delectable lunch served by the hostess, another very pleasant afternoon was brought to a close.

.....
Mrs. Bill Mewha of Markerville and Mrs. Ray Hooper of Yukina, Washington, called at the Arthur and Edward Waldford homes on Wednesday.

Wallace Brower returned on Tuesday from his trip to the Mayo clinic.

FISH AND GAME MEETING FRIDAY, JUNE 2, 8:00 P.M.

President Irwin Klein has called a meeting of the Didsbury Fish and Game Association for Friday, June 2nd, at 8 p.m., and it is hoped that there will be a good attendance. The annual fish derby and the crow and maple contest will come up for discussion.

After the fish and game meeting there will be a meeting of all interested in the reorganization of the Didsbury Gun Club.

South West Didsbury

Otto Bartz of Edmonton spent the week end in the district.

Mr. and Mrs. L. Hunsperger had a committee meeting at their home Thursday evening, after which a pleasant time was enjoyed. Those present were Rev. and Mrs. E. G. Archer, Mr. and Mrs. John Gamble, Mr. and Mrs. Abe Sawatzky and Miss Grace Hunsperger.

Mr. and Mrs. J. Schellenberg and family were Wednesday afternoon callers at the M. Dippel home.

Mrs. J. J. Obrein and daughters of Edmonton arrived Sunday on the Stampeder to spend several days with her mother, Mrs. George Meyer, and her brothers and sister in the district.

Miss Marilyn Befus was confined to her home for several days with the flu.

Sunday guests at the Jack Edwards home were Mr. and Mrs. Phil Gerlitz of Calgary and Mrs. and Mrs. Bill Broadband and daughter Ray.

Scotty McNair of Edmonton underwent an operation and is reported to be improving.

Mr. and Mrs. George Dippel and Harold were dinner guests Sunday with Mr. and Mrs. M. Dippel. In the afternoon Mr. and Mrs. C. F. Stroud and girls visited at the M. Dippel home.

Mrs. B. Nunn and family and Mrs. B. Trick and daughter of Carstairs visited Saturday with Mrs. Ed Clayton.

Mr. and Mrs. Jack Bennett and family of Carstairs were Sunday visitors with Mr. and Mrs. Lester Miller.

Jackie Clayton of Aldrie was up Friday night and Saturday and visited at Ed Clayton's.

Mrs. Rose Weber and Abner Hunsperger were Sunday evening visitors with Mr. and Mrs. Lester Miller.

Mr. and Mrs. Dale Kimmel were dinner guests Sunday with Mr. and Mrs. J.B. Hipkin.

Carol Dippel spent a few days at the home of Mrs. Miller.

Members of the Evangelical Church Choir entertained at a social on Friday evening, May 19, at the home of their director, Mr. Ward Sherlock. During the evening games were enjoyed and refreshments served. This being the occasion of Ward's birthday members of the choir and friends presented him with a purse of money. Mr. E. Cogswell made the presentation.

WEST NEWS NOTES

Mr. and Mrs. McArthur of Didsbury visited last Thursday with Mr. and Mrs. Al McInnes. Mrs. Arnold Hogg and baby left the hospital last Thursday and at present are visiting with her parents, Mr. and Mrs. C. Wilson, west of Cremona.

The W.A. of the English Church met at the home of Mrs. D. Hoesgood last Thursday. Nine members were present, with Mrs. J. Huges and Cecyl Winter of Olds as visitors. A comforter was quilted to be sent to a school for Eskimo children. The next meeting at the home of Mrs. L. Bird of Garfield will be a special meeting with expected speakers from Calgary. It is hoped some of the members will be able to attend the W.A. meeting to be held in Olds on Wednesday, June 7th. Mrs. McMullen, the president, was in the chair and Mrs. H. Hoesgood took the place of the secretary who was unable to attend.

Elkton lost to Reed Ranch east of Olds on Sunday on the latter's diamond.

Mr. and Mrs. A. McInnes and Mr. and Mrs. E. McInnes visited with Mr. and Mrs. Campbell Sr. on Sunday.

The Elkton district was blanketed with a light wet snow Tuesday morning.

Mr. and Mrs. H. Erickson visited west of Olds on Sunday.

Mr. and Mrs. Vic Schneidmiller spent Sunday with Mrs. E. Campbell.

Mr. O. Krebs and family visited with the McCullochs east of town on Sunday.

Mr. H. Hoesgood had a severe attack of the flu over the week end, but is now improving.

E. Boettger says that it was just 48 years ago on May 23rd that he and his brother Dan spent a miserable night in a shack in the Mayton district, when a real snow storm came in and covered the ground with several inches of wet snow.

Free Show May 30 On Home Decoration

Atlas Lumber Co. of Didsbury, local dealer for Pittsburgh Paints, is sponsoring an illustrated program in the Didsbury Opera Theatre on Tuesday, May 30, at 8:30 p.m., when Ruth Hamilton, consultant of the Home Decoration Bureau of Pittsburgh Paints will speak to the people of this district and illustrate her talk with films. A film in technicolor, "We Decorate Our Homes" will also be shown.

Prizes to local organizations and door prizes to lucky ticket holders are available to those attending this free lecture and show.

On Wednesday, May 31, Miss Hamilton will be at the Atlas Lumber Co. in Didsbury for private consultation pertaining to color problems.

Shopping Carnival Draws Large Crowds

The Didsbury merchants' shopping carnival, which started Saturday, May 20, and will continue until Saturday, May 27, has been partially responsible for the large number of people in town the past few days, and Saturday in particular was a busy day with the free show in the Opera Theatre in the afternoon an attraction for the children.

During the shopping carnival the business places are giving out tickets on each dollar's worth of merchandise or services purchased, and at the close of the carnival, Saturday evening, May 27, the draw for the five big prizes will be made in the Lions' Hall.

There are still three days for shoppers to take advantage of the many bargains offered in the shopping carnival, and at the same time to get extra chances on one of the five big prizes.

Shop in Didsbury this weekend. You will be well repaid for your trip to town, even though you may reside many miles from this popular shopping centre.

Mr. View W.I. Meets At Mrs. Stiles' Home

Mrs. W.E. Stiles welcomed the Mr. View W.I. to her home for the May meeting on the 18th. Eight members answered the roll call on "an electrical appliance and its benefits."

The sum of two dollars was sent to the Athlirith Club in Banff and five dollars to the A.W.I. provincial fund.

Miss Margaret Atkinson gave an interesting talk and display on her handicrafts at the O.S.A. this past term.

Mrs. Garnet Tighe had the topic on agriculture and read some very good items on soil conservation and the work of the earth worm.

The lesson from the short course on interior decorating was also taken by Mrs. Tighe and information was given on rugs and floors.

A ton of coal was donated to the Mountain View hall.

Mrs. Lawrence Hunter won the ten cent draw.

A letter was sent to Miss Smith regarding a joint meeting with the Lone Pine W.I. in August.

Members were invited to the color demonstration being put on in the Didsbury Opera Theatre by the Pittsburgh Paint Co. on May 30th at 8:30 p.m. Films will be shown in connection with the demonstration. Anyone wanting tickets for the show should get in touch with the secretary, Mrs. Bittner. Prizes are being given to the organization having the largest turn-out of members.

A pot luck lunch concluded the afternoon's entertainment.

MANITOBA FLOOD RELIEF

At the suggestion of the pastor, Rev. A.J. Grams, the Evangelical congregation appointed Christ Co-Workers Class to sponsor a Manitoba Flood Relief Fund for members and adherents of the church. The following were appointed to receive donations: Ed Boettger, D. M. Wilson and W.J. Scheldt. Receipts will be issued by the treasurer, W.J. Scheldt.

WESTCOTT NEWS

The correspondent for these news items would appreciate any news pertaining to this district, so please help me to make this worthwhile by giving me any little items you have. Thank you.—Mrs. Ruth Goetjen.

The weather remains cold and windy and today, Monday, it was cloudy and looked threatening but outside of a few snow flakes it didn't give any moisture. We are wondering where our spring is this year.

Mrs. Don Mortimer and son arrived here by plane last Thursday evening and expects to visit with her folks and friends for the summer.

Mrs. Herbert Goetjen, Deloyce and Marjorie attended the track meet in Carstairs on Friday last when Marjorie participated in some of the events along with other students from the Didsbury school.

Mr. and Mrs. Clarence Reinhart spent a day in Calgary recently shopping in preparation for the trip they intend taking in the near future.

Mr. and Mrs. Herbert Goetjen and family spent Sunday visiting at Sundre with the latter's sister and family, Mr. and Mrs. John Stevenson. While there they saw a very good ball game played between Sundre and Hainstock in which the score was 7-6 in Sundre's favor.

Mr. and Mrs. Adolph Baudistel and family of Chancellor, Alberta, visited over the week end with their relatives here.

Fishing seems to be the trend of the day, especially when a warmer day comes along, but so far we haven't heard of any big fish stories.

Letter To The Editor

Dear Editor:

We have clean up campaigns in towns and cities each year; also in schools. Even on the envelopes that allowance cheques come in it is printed across "clean up for health." I wonder why it is that our roadways are such a disgrace.

Just a ten-minute drive east of town, say a few miles and back, would convince anyone of the terrible need for a clean up. It's a terrible sight along the road and elsewhere, with cardboard boxes, cans, papers, just everything. Why couldn't this habit be halted? Maybe by our councillor or someone else. It doesn't help this fair land of ours to look like that. The trash can even be seen by highway travellers, and we do have visitors from far away also. It would be nice if they could go home and say how tidy our roadways were. I know a man who was to Penitton, B.C., and came back and said it was the cleanest city he had ever seen. Let's not have to go so far from home to notice things like that.

(Hugh McPhail, D.A.)

A number of important events are coming up soon for our Club members and their friends. For a number of years now five Dairy Clubs near Oids have had a Field Day at the O.S.A. After judging cattle and a picnic lunch there is a softball competition.

The Beef Clubs also hold an annual Field Day before the Calf Club Fair and Sale. The Field Day this year is to be held at A. M. Robertson's farm west of Carstairs. The Dairy Club Field Day will be held at the O.S.A. at 10 a.m. on June 10th, and the Beef Club Field Day will be held at the A.M. Robertson farm at 12 noon on May 27. Everyone is welcome. Bring picnic lunches.

The National Barley Contest is being held again this year. During the last two years Fred Radford has won the Provincial Championship. Each year the contest has been held Wesley Houchin has won a prize. I have details of contest in my office and entry forms. I believe all elevator agents also have entry forms.

I have written several times stressing the importance of using good seed. The following short quotation from a longer article by Prof. T.J. Harrison is of interest:

"There is an old farm adage which states that 'the sire is half the herd in livestock production'. This might be paraphrased to read: 'the seed is half the crop in grain production'. This is particularly true in malting barley production where the criterion of quality is truthness to variety, freedom from impurities, plumpness, uniformity in size and high uniform germination, etc."

Other conditions being equal the seed will be the determining factor in the production of high quality malting barley.

Good Seed Pays the Shot

Since high quality malting barley sells for about 25 cents per bushel over the feed grades and since 30 bushels per acre is a good average yield, there would be almost \$7.50 more revenue per acre

THE DESIRED END

If the markets of the world were wide open, with currencies issues stabilized, Canada's farmers would not need prices support. They could produce and distribute and buy freely, no matter what prices support might be supplied to the manufacturing industries, through protective tariffs. What they desire more than anything else is the opportunity to produce the best food and fibre in the world and to place their commodities in the market place.

Short Courses For Alberta Oil Industry

More and varied courses to study various procedures and skills in the province's booming oil industry are in strong demand. The enrollment for the Third Mud School, commencing May 29th, has been so great that a fourth has had to be organized, timed to open on June 12th. The handling of the oil itself is now receiving more attention, and an Oil Treating School will be held at the University also opening June 12th, and running each evening for two weeks. Other courses for the men handling the oil flow and its treatment are being prepared.

To study management and insurance problems a two-day Management Institute for the oilwell drilling industry is planned, to be held at the Palliser Hotel, Calgary, June 23rd and 24th. This is open to senior executives of the industry, who will meet two experts in the oilwell Insurance and Management field from Texas and Gulf oil areas.

from producing good malting barley. The average rate of planting is about 1½ bushels per acre. This year, prices for seed are about \$2.25 per bushel for Registered seed and \$2.00 per bushel for Certified seed. Where the use of these classes of seed would mean the difference between malting and feed barley, the profit per acre would be between \$4.50 and \$4.25 per acre. If one reckons the common grain he has saved as seed, the profit would be increased from \$5.50 to \$5.25 per acre.

A last desperate effort to save a precious chair is made by this Winnipeg citizen as the flood waters rise in his flood-stricken house. The water is waist-deep and still rising, and he has very little hope of keeping his remaining pieces of furniture. The Manitoba Flood Relief Fund has been organized in Winnipeg to help such people and its objective of \$10,000,000 dollars is to be used to help flood sufferers re-establish themselves. Donations to fund may be made to any Bank in Canada or direct to Manitoba Flood Relief Fund headquarters in Winnipeg.

**Valedictory Address
By Donald Robertson**

Following is the complete text of the Valedictory Address given by Donald Robertson at the Didsbury high school graduation banquet: Mr. Toastmaster, Honored Guests, Fellow Pupils:

It is a great privilege to be able to speak to you this evening as valedictorian of the '49-'50 graduating class. The valedictory address is primarily a farewell to the school, the teachers and the students. It has been wonderful to be associated with such a fine group of young people and understanding and all-forgiving staff. I can recall numerous occasions when I expected to receive my dishonourable discharge, emphasized by a coat-tail full of boot. Some of you may remember our president sitting serenely in my ink, or on another occasion (same cast) how narrowly Mr. Stauffer escaped being downed by Dora who had just succumbed to my superior judicious. Mr. Wood has cleaned up countless spitwads (many of which were mine) with never a murmur, or at least nothing which I could repeat here!

We have had our fun but we have also had our work, some of which seemed useless at the time. But this so-called "useless" work has taught us a number of very important things. The first, both in position and importance, is that it has taught us to think for ourselves, not to accept blindly what is told to us but to constantly press toward the truth. Perhaps, because we have had this education, we will not gullibly follow like sheep just any leadership. Perhaps we will not be one of the mob who allows his conscience to be deafened by the crowd so that he is filled with a false sense of power

and right. The majority, though it usually rules, is not always right. This work has greatly widened our horizons in many fields so that we may read, talk, argue and think correctly and logically. I hope what we learn will not be stored away in some dusty corner of our brains where we can't find it when we want it. Who wants to be like the boy who was asked when he returned from school how he had done in his English exam. "Oh I done fine Pop. I only made one mistake and I seen it as soon as I done it."

Our appreciation of literature, our understanding of government, and yes even our French will some day stand us in good stead.

We have met people, gained friends and learned to get along with others. All these things will be invaluable if we are to be good and happy citizens.

Graduation though, is a goal, not THE goal. We have been receiving our basic training for the job we are to do. Most of us will now go on to specialize in that particular field in which we feel we are called. When we leave school for the last time it will not be as though we are shutting a door behind us to cut off that which is past but rather that we are taking down a partition between two phases of our life. That which is past has a definite influence and bearing on that which comes later. We have been given a firm basis; it is now our duty to build on it a satisfactory life of leadership and service so that the world may be a little better when we leave it because we have done our part.

HOW TO SAVE MONEY

A certain Irish peer recently stopped at a public house in Hertfordshire and ordered a drink. The barman apologized in a broad Irish accent for the thimbleful which he poured out.

"The nobleman asked him when he had come over from Ireland."

"Last week, your honour," the barman answered.

"And are you staying long in England?"

"Faith and I'm not, only a fortnight," came the reply.

"Why ever did you come over?" asked the peer.

"Why, I come over for me new set of teeth. They're worth twice the price of the ticket over."

**Mummy of Princess
Clothed in Solid Gold**

Archaeologists digging 30 miles north of Cairo, Egypt, recently unearthed a 2500-year-old mummy of an Egyptian princess buried in slippers and gloves of solid gold.

Members of the Egyptian Antiquities Department paid open an 8,000-pound stone tomb to find the mummy—a princess of the 22nd dynasty.

Hieroglyphic inscriptions on the tomb said the princess was her as Himti Nissut Thait Ra, the wife of a prince who governed Etrub more than 500 years before Christ.

Fingers of both her hands were gloved in layers of pure gold. Her feet were encased in solid gold sandals, of a style like those worn in the summertime by modern women.

The princess' crown and an assortment of precious jewels and diamond ornaments lay beside the mummy. It was removed with extreme care to Cairo for study.

The contents of the tomb were intact, although water from the Nile had seeped through the stone cover and caused some gold plating to chip off.

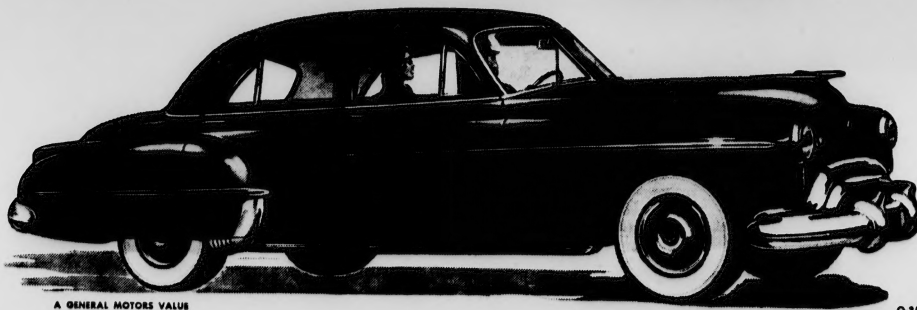

Archaeologist Neuguib Farag, inspector of Eastern Delta Antiquities, who supervised the uncovering, said the find was one of the rare discoveries that diligent grave robbers had failed to reach in 25 centuries of search.

It is estimated by the Dominion Bureau of statistics that 31,595,000 bushels of wheat will have been fed to livestock and poultry in the 1949-50 crop year. Actually wheat feedings in the previous year totaled 36,300,000 bushels.

Wheat feedings in the province of greatest consumption this year were: Ontario, 12,630,000 bushels; Manitoba, 3,000,000 bushels; Saskatchewan, 7,000,000 bushels; Alberta, 6,000,000 bushels; British Columbia, 2,411,000 bushels.

Donations Appreciated For Manitoba Relief

When the flood waters broke the dikes along the Red River, John C. Queau, his wife, Arlie, and their two children had 15 minutes to evacuate their home in the River-view suburb of Winnipeg.

All they managed to take out was one change of clothing, and then they waded through waist-deep water to safe ground.

Today Mrs. Queau and her two children are in Healdsburg, Manitoba, while Mr. Queau is driving his truck on flood duty.

Their house, like hundreds of others in the district, is now deep in the Red River. The living room has six feet of water in it. The dining room and chairs are floating up against the ceiling. In what was once the back yard there is a garage which was washed there from some other house, and out in the river which was once their street, the usual debris of a flood-stricken city floats by.

In this neighborhood the Red River usually makes a long lazy bend, and the suburb of Riverview lies in this bend. Today the ten-mile an hour current cuts right through the district and only the strongest boats with powerful motors are allowed to enter the water.

Now after row of stark and empty houses, sticking out of the water without a living soul in them is the present picture of Riverview. Only house-owners needing urgent clothing and necessities are allowed to enter their homes, and they are equipped with life vests by the Navy.

Mr. Queau sat at Naval headquarters waiting for his two children since they had been carried from the house in their sleepers. He said he bought his house during the war and valued it at \$5,000. His furniture and all his personal belongings will be a total loss, and, like thousands of others, he has not the necessary money to rehabilitate his family.

The Manitoba Flood Relief Fund will look after Mr. Queau and many like him. It has been set up to help all flood victims, and do-

ANNOUNCING UNIVERSITY OF ALBERTA FEEDERS' DAY

Saturday, June 3rd, is the date for the twenty-ninth annual Feeders' Day sponsored by the Department of Animal Science, University of Alberta.

The results of experiments conducted during the past twelve months will be discussed and presented in bulletin form. These experiments deal with a variety of topics such as the value of cobalt in sheep rations, Animal Protein Factor (vitamin B12) supplements for swine, carotene content of forage meals, swine rations in relation to carcass quality, and limited use of grain in finishing steers. A report of eight years' experience with calfhood vaccination in the University herds will be of special interest to cattle breeders. Other questions relating to disease control will be discussed. The University herds and flocks, including a number of new herd sires, will be available for inspection.

A cordial invitation is extended to all those interested in livestock production to come at 10 a.m. and spend the third of June at Feeders' Day. Livestock Pavilion, University Farm.

DISTRIBUTION OF B.C. APPLES

Distribution of the 50,000 cases of Canadian apples, a gift from the British Columbia Tree Fruits Corporation for British school children, is now almost complete. Areas to which apples have been allocated include Manchester, Liverpool, Birmingham, Glasgow, Cardiff, Newcastle-on-Tyne, Middlesex and London, and Belfast. The plan is to give children about 1 pound of apples each.

nations can be left at Soley's Store or the Royal Bank of Canada in Didsbury. The Didsbury Branch of the Canadian Legion, which is sponsoring the local campaign, urges everyone to support the collection fund immediately, so that the plan will be no delay in forwarding necessary funds to the distressed people of Manitoba.

"... AND THAT'S HOW

we built the school"

It's the biggest contract I ever went after, so I lost no time in getting over to my bank manager.

"George," I said, "I'll need some help to handle a job this size."

We went over the whole thing, discussed how much I would need. When I landed the contract he gave me a line of credit and I was able to go right ahead. Now the school's as good as built.

It is an everyday part of your local bank manager's job to provide short-term credit—so that payrolls can be met, material bought, goods produced and marketed.

CREMONA NEWS

At long last Cremona is being served by bus. The complete chain of Trains from Rocky Mountain House to Calgary by way of Cochrane includes Caroline, James River, Sundre, Berge, Elkton, Cremona, Bottrel, Dog Pound, Cochrane and Calgary. This service will run twice a week, Monday and Thursday, allowing a day's shopping in Calgary and return the same day. This will be a great convenience to local citizens, as it is the fulfillment of a dream that was outlined at least twenty years ago and it shows the possibilities of all-weather roads.

Visitors at the home of Mr. and Mrs. Alex Hettlinger and family on Sunday, May 21, were Mrs. M. Kriger of Portland, Oregon, Mr. and Mrs. C. Shaffer and daughter of Seaside, Oregon, Mrs. K. Befus, Mr. and Mrs. P. Befus, Mr. and Mrs. H. Hettlinger, Mr. and Mrs. H. Hettlinger and family, all of Calgary.

Mr. Murray Pettit of Calgary is visiting with her parents, Mr. and Mrs. Jesse Ray of Gardfield.

The Cremona hardball team was defeated by Carstairs team on the home diamond on Sunday, May 21.

BERGEN NOTES

At a recent meeting of the Home and School Association, Mrs. E. Erickson was re-elected president for the coming year. Mr. D. O. Clarke was elected vice president and Mrs. Rateliff secretary-treasurer. Mrs. Erickson gave a report on the provincial convention which she attended at Olds.

We understand that the Bergen district is to have a direct bus service to Calgary. The bus will leave Caroline twice weekly, passing through James River, Sundre, Berge, Elkton and Cremona and will arrive in Calgary around noon, returning around 5:30. A trial run was made last Thursday, taking only 2½ hours from Calgary to Sundre.

Welcome to the district to Mr. and Mrs. Harry Lee and family who have moved on to the Ball place.

Mr. and Mrs. P.A. Blain and Leslie and Rev. and Mrs. P. Dyk visited on Mother's Day with Mrs. Wilson Blain at Elkton.

Little Lory Davidson has been ill in the Olds hospital for several weeks. We are glad to hear that she is getting better.

Mr. and Mrs. Andrew Lund had a letter recently from their son Wesley who is with the RCAF stationed at Rivers, Man. He has been helping in the air evacuation of patients from the flooded Winnipeg hospitals. Wesley states that spring is very backward in Manitoba with scarcely a blade of green grass at time of writing.

Mr. and Mrs. Bob Payne and Charles visited at Bergen on Sunday.

Think This Over!

Competition now is between towns rather than individuals, with an automobile at every home and good roads in every direction. The man on the farm does not say to his family as they get ready for their regular trade trip: "Let's go to the Brown store, or the Green store, or the Blue store." He says: "Let's go to Square Town or Whoop City, or Welcome Centre."

And whether they go to one or the other of these towns will depend very largely upon the impression the family has received through the local newspaper. If the newspaper from one of these attractive towns comes to them every week filled with attractive advertisements in every line of merchandise, creating the impression that something is always going on in that town, there is where the family is going on its shopping expedition.

Wilson and Wilson Construction Company have a power shovel on the street going east and west from the Health Unit building and hope to complete the main water and sewer ditches within the next few days. The reservoir at the butte has been completed and work is underway on the disposal plant. It shouldn't be so very long before the water and sewer system is completed, although many prospective water users may not be ready for the facilities when made available.

Forced to flee from the Greater Winnipeg flood menace with nothing but their clothes and two pillows, Mr. and Mrs. L. Roberts and their four sons had one hour's notice to move. They found temporary shelter at Winnipeg Beach. To aid such cases the Manitoba Flood Relief Fund has been established in Winnipeg.
